REMOTE TEAM BUILDING GAME

Welcome to the game in which every decision you make changes the world, whether its for the better or for the worse!

In a world where it isn't always possible to meet together face to face, this is a live action turn based- strategy game, one that will reveal yours and your team's true colours.

Work remotely with your team via Zoom, choose to invest in the environment, cities, shields or nuclear weapons... what happens next is your call as your team strives for world domination!

Unilever - A world class event which everyone is still talking about. Brilliantly run, great fun & had 60 people totally engaged & working together. We will be booking again very soon.
